

Clients We Help

“My Mother and I don't have to tell you how difficult it is to care for an aging and chronically ill parent at long distance. Your company has been invaluable and stepped up to the ever increasing needs of my mother and myself, all of which has been above and beyond. ”

- S.S., Brentwood

“Thank you! Thank you! For all the love, support and care all of you gave to us. You were all wonderful to me and my mom, Lucy. My mother received such great care.”

- Irene & Ray P., Antioch

“Thank you so much for the wonderful care you have provided to my parents. My mother says repeatedly that she doesn't know how she would have gotten through this transition time without the wisdom and kindness of our caregiver.”

- S.N., Rio Vista

“The services have been great; it has made my life easier. I like this agency because they are dependable and they train their caregivers well. They are also flexible.”

- L.H., Brentwood

“It has made a major difference in our lives.”

Our personalized services offer help and relief from daily routines, and are available 7 days a week up to 24 hours.

Our Family Helping Yours

Our caregivers are highly qualified state-licensed individuals who are well trained and carefully selected, thoroughly screened, bonded and insured. Most importantly, our priority is to have caregivers who are completely trustworthy and extraordinarily caring of others.

If you or your loved ones live in the East County and Central County areas and wish to remain at home and independent for as long as possible, contact **HomeLife Senior Care** to discuss your care needs. In-home care is our specialty, and we can help!

HOW TO GET STARTED

First, let's meet and complete your In-Home Consultation

NO COST, NO OBLIGATION!

Our in-home evaluation helps us to understand your current situation and future needs. We review lifestyle, medical conditions and requirements to help you remain independent at home.

We work with the entire family and fully explain our care services, answer any questions, and help with the important decisions faced by the family or loved one.

We will address *all* your concerns, including:

- Matching the appropriate caregiver
- Daily routines
- Health and medication concerns
- Emergency response
- Nutritional requirements
- Home cleaning assistance
- Transportation needs
